

Wilkins Kennedy Profile

Wilkins Kennedy Chartered Accountants and Business Advisers provide a full range of accounting and business advisory services to a diverse range of businesses and individuals across the UK and abroad.

Established in 1882 as a single regional office, the firm has expanded to 12 regional offices based across the South of England with a turnover of £27 million, 54 partners and almost 400 members of staff.

As a fast growing, top 25 UK accountancy firm, Wilkins Kennedy has an excellent reputation for assessing individual and business needs in a changing marketplace and delivering intelligent, practical financial solutions.

Services offered include: Audit and Assurance, Tax, Business & Advisory, Corporate Finance, Restructuring and Recovery, Forensic Accounting, Outsourced Services, Human Resources and Financial Management.

Each regional office offers clients a fully supportive, personal service, through a structured, partner-led approach. Clients benefit from senior overview and legislative advice combined with a team of dedicated specialists and expertly trained professionals.

Specialist teams operate in the following market sectors: Charity & Not for Profit, Financial Markets, Insurance, PFI, Property and Construction, Professional Services and Public Sector.

Business divisions of the firm include: WK Corporate Finance LLP, WK Financial Management Ltd and WK Business Solutions Ltd.

Wilkins Kennedy is a registered member of ICAEW and a member of the IAPA and European grouping Euro Defi.

Accountants who think **on their feet**
